

WORKSHEET 8: CONNECT WITH CONTINUOUS IMPROVEMENT EFFORTS

Discussion Prompt	Notes
Where might data related to the use of teachers' time already be reflected in our school/district continuous improvement processes? Which goal and/or strategy includes the related information?	
Which goals and strategies within our continuous improvement efforts are informed or impacted by the use of teachers' time?	
How might information about the structure and use of teachers' time help inform current school/district continuous improvement work?	
How might our team integrate SCTWCS information related to teachers' time into what is already being done through our school's/district's continuous improvement efforts?	
What school/district practices might be contributing to challenges with how teachers' time is used? How might those practices shift to improve?	
What school/district policies might be contributing to challenges related to the use of teachers' time? To what degree can those policies be shifted to improve working conditions?	
What other teams are doing aligned work in our school/district? How might we strategically integrate our efforts?
